* Not combinable with other Keysight Trade-In Specials and offers.

** Contact your Keysight Sales Representative to see if your trade-in unit qualifies.

TERMS AND CONDITIONS

- Special promotional credits are eligible for the purchase of ONE new unit with ONE eligible trade-in unit.
- Contact your Keysight sales representative to determine whether your Keysight or non-Keysight trade-in model is eligible with this special offer, and what the credit would be.
- Special Trade-In credit offers may be limited based on quantity being purchased.
- The Trade-In unit(s) must be received in good working condition and without major aesthetic and physical damage in order to receive the full credit.
- Credit values apply toward new Keysight product and hardware options included in the offer; not to Keysight items bought with the same order with separate model numbers.
- Special Credit values are approximate and may vary by currency and country, for one new and one Trade-In unit, and may change at any time without prior notice.
- Trade-In credit and purchase agreement (PA) discounts may be combinable.
- The Trade-In and New Purchase Models are not required to be of the same type. (e.g., Trade In a scope toward a new Network Analyzer or a Network Analyzer toward a new Signal Generator, etc.)
- This Trade-In offer cannot be combined with any other Trade-In offer.
