## TERMS AND CONDITIONS

- Trade-In credits are valid for a specified quantity of Trade-In units. Once a specified quantity is reached Keysight will reduce Trade-In credit value. Valid quotes will not be affected.
- Credits apply to Trade-In models and related new products with the *matching frequency range/bandwidth*.
- Trade-In unit(s) must be in working condition and without major esthetic and or physical damage to receive the full credit.
- Credits apply to new Keysight product and options included in the offer; not to Keysight software or hardware items purchased with the same order but with a separate model number.
- Credit values are approximate and vary by currency and country, for one new and one Trade-In unit, and may change any time without prior notice.
- Trade-In credit and purchase agreement (PA) discounts may be combinable but are subject to Keysight approval.
- Trade-In offers are subject to local program availability, based on regional and model eligibility through different Keysight and non-Keysight channels.
